ACKNOWLEDGEMENTS

This work of knowledge and art has been possible with the divine blessings of lord Ganesha, who was always in my mind while I was writing the book. Jesus—you gave me strength and courage to withstand the adversities of life.

Dedicated to my son Akshaj, and my family for standing by me in my tough and good times, and always believing in me.

A very special thanks to the 16+ beautiful souls and well-wishers (names mentioned in the 'Advance praise for the book' section), who gave their precious time from their busy schedule to go through the manuscript of this book and offered valuable suggestions apart from praising the book.

I would like to express my sincere gratitude to eminent literary agent, Suhail Mathur, who was the first person from the publishing world to believe in my work and selected it for representation to esteemed publishers through his glorious agency, *The Book Bakers*.

Words would not be enough to thank the founder and Managing Director, Ms Renu Kaul Verma of Vitasta Publishing Pvt Ltd, India, and author and editor Bill K Koul who found this book extremely useful. They have made my dream of making a difference in the life of millions come true, by presenting this opportunity to me.

Thanks to my editor Syeda FR who helped me make this manuscript better and Veena Batra, my editor at Vitasta for fine-tuning it further and being extremely supportive during the entire process of publishing.

FOREWORD

What's the probability of you bumping into a random guy in a bookstore, who is writing a book on executing projects smoothly? Tough call, isn't it?

But it happened! The bookstore chat quickly became professional association & I had the privilege to see this book beforehand.
